Project Title: Updated Local Funding Mechanisms for Sacramento Area Flood Control Improvements

Project Applicant: Sacramento Area Flood Control Agency

Project Location (include county): Sacramento, Yolo, and Solano Counties

Project Description:

SAFCA proposes to update existing local funding mechanisms for implementing flood system improvements along the Sacramento and American Rivers, Natomas Basin, and the Sacramento and Yolo Bypasses. The proposed project would update existing local funding mechanisms to support flood control improvements, some of which have been added or expanded to comply with Federal and State flood protection requirements established since the existing funding mechanisms were evaluated in a previous Program EIR, certified in 2007 (SCH2006072098).

This is to advise that the Sacramento Area Flood Control Agency has approved the above (Lead Agency or Responsible Agency)

described project on April 21, 2016 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: SAFCA, 1007 Seventh Street, 7th Floor, Sacramento, CA 95814
