Prospective Drilling Contractors

Subject: Sacramento Area Flood Control Agency  
American River, Sacramento River and North Sacramento Area Stream  
Group Geotechnical Explorations  
Request for Statements of Qualifications, **Addendum No. 1.**

Dear Drilling Contractors:

SAFCA has issued the attached **Addendum No. 1** to its Request for Statements of Qualifications for the subject project dated July 23, 2012. This document is also available on SAFCA's website at [www.safca.org](http://www.safca.org). All interested Drilling Contractors are invited to submit.

Any questions shall be submitted in writing to me at the address below or via email to me. Thank you

Very truly yours,

Sacramento Area Flood Control Agency

**ADDENDUM NO. 1.**  
Request for Statements of Qualifications  
American River, Sacramento River and  
North Sacramento Area Stream Group Geotechnical Explorations

1. Section 1.0 INTRODUCTION:

- a. The following sentence replaces the first sentence of the second paragraph:

“SAFCA’s goal is to award one contract to a single drilling company or one contract to a joint venture or one contract to a drilling company with sub-consultant drilling companies.”

- b. The following sentence shall replace the second to last sentence of the third paragraph:

“Unit Prices included in the Cost Proposal will be used as a basis for final payment of the Contract through the Drilling Period. Any extension of time may result in renegotiation of Unit Prices. The Drilling Period may be extended at SAFCA’s sole reasonable discretion depending on initial findings.”

- c. The following sentence shall be added to the end of the Section:

“No conditional proposals shall be accepted.”

2. Section 2.0 SOLICITATION SCHEDULE. The following shall replace any and all references to the submission requirements of the Proposal:

“The Proposal shall include in a single envelope the following:

- Four (4 ) copies of the Statement of Qualifications, and
- One (1) copy of the Cost Proposal in a separate envelope inside the main envelope.

The Proposal shall be submitted on or before 5:00 pm at SAFCA’s office at 1007 7th Street, 7th Floor, Sacramento, CA 95814. Electronic copies shall NOT be accepted.”

3. Section 3.0 ANTICIPATED SUBSURFACE CONDITIONS may include but are not limited to the four conditions listed.

Addendum No. 1  
Request for Statements of Qualifications  
American River, Sacramento River and  
North Sacramento Area Stream Group Geotechnical Explorations

4. Section 4.0 SCOPE OF WORK:

- a. Add the following sentence to the first paragraph on page 5:

“Drilling shall commence within two (2) weeks following SAFCA’s provision of a list of drill sites to the Drilling Contractor.”

- b. Table 3 shall be revised to read as follows:

**Table 3**  
**Minimum Exploration**

<b>Exploration Method</b>	<b>Quantity, ea.</b>	<b>Total Footage, feet</b>
Hollow stem auger	8	240
Mud rotary	30	3,600
CPT Soundings	16	1,600

- c. The first sentence of the fourth paragraph on page 6 shall read as follows:

“The Drilling Contractor must be capable of providing up to FOUR (4) drill rigs at one time capable of drilling to the depths indicated in Table 1 and the subsurface materials described above.”

- d. Revise the first sentence of the Permits: paragraph to read as follows:

“SAFCA or SAFCA’s representative will obtain environmental encroachment permits and drilling permits as required.”

- e. Monitoring Wells (OPTIONAL SCOPE): add the following sentence:

"Price for monitoring wells shall include all costs associated therewith, including but not limited to bond costs."

5. Section 5.0 STATEMENT OF QUALIFICATIONS CONTENT and RANKING.

No. 8 on the list of information to be included in the Statement of Qualifications shall be revised to read as follows:

“8. Copy(ies) of State of California C57 contractor’s license for company or all members of joint venture or drilling company and all sub-consultant drilling companies.”

Addendum No. 1  
Request for Statements of Qualifications  
American River, Sacramento River and  
North Sacramento Area Stream Group Geotechnical Explorations

6. Section 7. COST PROPOSAL. Replace the original COST PROPOSAL with the one attached to this Addendum No. 1.
  
7. All other requirements of the Request for Statements of Qualifications shall remain as stated.

Attachment: Section 7.0 COST PROPOSAL

**7.0 COST PROPOSAL: (FOUR (4) COPIES TO BE PROVIDED IN A SEALED ENVELOPE)**

Contract award will be based on the Total Base Scope Bid amount.

**Table 7**

**Name of Drilling Contractor:**

**Bid Schedule**

Bid Item	Unit Price	Bid Quantity	Total Bid
<b>BASE SCOPE</b>			
Base Scope Bonds & Insurance		1 lump sum	
Mud Rotary	\$ per foot	11,500 feet	
Hollow Stem Auger	\$ per foot	2,600 feet	
Sonic	\$ per foot	800 feet	
CPT Sounding	\$ per foot	2,400 feet	
Surcharge for All Terrain equipment	\$ per foot	2,000 feet	
Mats	\$ per foot	100 feet	
2 ft. by 2 ft. hot mix asphalt pavement patch	\$ per each	30 ea.	
Traffic control (2-man crew) 1/2 day	\$ per each	10 ea.	
Traffic control (2-man crew) full day	\$ per each	20 ea.	

**Total Base Scope Bid:**

<b>OPTIONAL SCOPES</b>			
Monitoring well 0 to 25 feet – open tube	\$ per each	2 ea.	
Monitoring well 0 to 50 feet – open tube	\$ per each	2 ea.	
Monitoring well 0 to 100 feet – open tube	\$ per each	2 ea.	
Monitoring well 0 to 25 feet – vibrating wire piezometer	\$ per each	2 ea.	
Monitoring well 0 to 50 feet – vibrating wire piezometer	\$ per each	2 ea.	
Monitoring well 0 to 100 feet – vibrating wire piezometer	\$ per each	2 ea.	

The unit price shown in the bid schedule for base scope items shall be used for the quantity shown, for any quantity within 25% over the quantity shown, and for any quantity under the minimum quantity shown in Table 3. Any amount more than 25% over the quantity shown or less than the minimum quantities shown in Table 3 may be negotiated to a new unit price.
