## **CONSULTANT EXPENSE REIMBURSEMENT GUIDELINES**

**SACRAMENTO AREA FLOOD CONTROL AGENCY**

Revised: January 2016

## **1.0 INTRODUCTION**

SAFCA is a public agency and expects its consultants to give this fact proper consideration in minimizing billable expenses in connection with SAFCA work. From time to time, SAFCA consultants may be required to travel on SAFCA business or may incur reimbursable expenses in connection with SAFCA business. These guidelines outline when such expenses are considered reimbursable, and are necessary because SAFCA is a public agency and is expected to exercise great care to avoid incurring costs which are, or appear to be, unreasonable. These guidelines apply to all consulting contracts and override provisions contained in the Consultant's standard charge rate schedule, unless other guidelines are specifically included in the contract. Your efforts in complying with these guidelines will be appreciated. Reimbursement for expenses which do not comply with the guidelines requires the approval of SAFCA's Executive Director; such approval shall only be granted in extenuating circumstances.

## **2.0 TRAVEL ARRANGEMENTS AND REIMBURSEMENT**

Consultants are expected to exercise good judgment in incurring travel expenses and to obtain prior approval for all foreseeable travel-related expenditures. Approval shall be obtained from the SAFCA Project Manager. Expenses incurred without prior approval or which are not in compliance with this policy may be denied.

SAFCA acknowledges and accepts that many consultants utilize the services of employees in several different offices for work on a single project. SAFCA will not, however, pay lodging, travel or meal costs related to relocating an employee to another office to work on a SAFCA project.

Consultants shall obtain receipts for reimbursement purposes except where it is noted that a receipt is not required.

"Travel" is defined as a trip undertaken on SAFCA business that requires travel outside a sixty (60) mile radius from the State Capitol building, or a trip outside a sixty (60) mile radius from the Consultant's home office if the home office is outside of the greater Sacramento area.

Any luxury upgrades requested in making airline or rental car reservations are the responsibility of the consultant.

In the course of conducting SAFCA business, taxicab fare, bus fare, transit fare, bridge tolls, and parking fees are reimbursable. Baggage handling tips up to a maximum of \$5.00 per day are also reimbursable (no receipt required).

Lodging reimbursement for travel in Washington, D.C. is limited to the actual cost incurred up to two hundred fifty dollars (\$250), excluding tax, per day.

It will be the consultant's responsibility to obtain the lodging rate for both single and double occupancy and indicate these rates when requesting reimbursement from SAFCA.

Hotel cancellations are the responsibility of the consultant. Any hotel expenses charged to SAFCA when the consultant had adequate time to cancel the accommodations without charge will be the responsibility of the consultant.
