Dear Mr. Buer:

Each year the Sacramento Environmental Commission (SEC) recognizes community members, businesses, organizations and government entities who share in our mission of promoting a high quality environment by putting into practice programs that make a positive contribution towards this goal in our community. The "Environmental Recognition Award" was created by the SEC to recognize these accomplishments and the leadership of those who have acted to protect our environmental resources while enabling economic progress. We are pleased to notify you that you were one of the outstanding nominees. Your nomination was submitted by Mr. Dave Zuber of Brown and Caldwell.

A special committee within the SEC recently met to select the award recipients. The selection process was difficult due to the large number of deserving nominees. After careful review and much deliberation, the committee made their choices. We are pleased to let you know that your program has been chosen to receive a Certificate of Appreciation which will be awarded to you (or the person of your choice) at the SEC's April 19th televised meeting at 700 H Street, Sacramento, in the Board Chambers on the first floor. The meeting starts at 6:30p.m. Please be so kind as to contact the Commission's Secretary, Vicki Kloock, at (916) 875-8584 or kloockv@saccounty.net at your earliest convenience to confirm your availability on the 19th. If no one is available to attend this meeting, we will arrange to have it mailed to you.

Congratulations and thank you for your contribution to the environmental enrichment of our community.

Sincerely,

Mark White
Chair
