  - Awarded 24 July 2017
    - Great Lakes – Inquip JV
  - Corps has received a protest

# Presidential Executive Order on Establishing Discipline and Accountability in the Environmental Review and Permitting Process for Infrastructure

- *First Part:*
  - Seeks to shorten the time for environmental reviews for infrastructure projects.
  - Process environmental review and permits in around two years at most.
  - “One Federal Decision” - each major infrastructure project shall have a lead Federal agency, which shall be responsible for navigating the project through the Federal environmental review and authorization process.
- *Second Part:*
  - Executive Order 13690 of January 30, 2015 (Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input), is revoked.

# Board Adopted Contracting Policy

- On April 18, 1996, the SAFCA Board adopted Resolution No. 96-197 establishing the Contracting Policy for SAFCA.
- In reviewing the current policy and given some of the recent questions raised by Board members, staff is in the process of updating the contracting policy.
- A draft revised policy will be presented and discussed with the Finance Committee.
- Following approval of the Finance Committee, the updated draft contracting policy will be brought to the Board for action.
