Central Valley Flood Protection Plan Update

- Developed in accordance with the Central Valley Flood Protection Act of 2008.
- The Central Valley Flood Protection Plan (CVFPP) initially adopted by the Board in 2012.
- On August 25, 2017, the Central Valley Flood Protection Board formally adopted the 2017 Central Valley Flood Protection Plan Update.
- The 2017 CVFPP Update includes recommendations on investments and policies to support comprehensive flood risk management actions locally, regionally, and systemwide, rather than promoting specific projects.
- SAFCA's projects are all covered in the CVFPP Update.
