Project Title: FLORIN CREEK MULTI-USE BASIN PROJECT

Project Applicant: Sacramento Area Flood Control Agency

Project Location (include county): Florin Creek Park (Persimmon Ave) & adjacent vacant properties - Sac. Co.

**Project Description:**

Construction and operation of two detention basins with a maximum depth of about eight feet below current ground elevation with a total flood storage volume of approximately 32.5 acre-feet. The detention basins would also provide an opportunity for stormwater management and non-point source control. Because the Park District will work with SAFCA as a project partner, the project would improve recreation and public access. Project features will include a habitat area planted with native plants to provide ecosystem restoration.

This is to advise that the Sacramento Area Flood Control Agency has approved the above  
 Lead Agency or  Responsible Agency

described project on April 17, 2014 and has made the following determinations regarding the above
