CONSULTANT INSURANCE REQUIREMENTS

**SACRAMENTO AREA FLOOD CONTROL
AGENCY**

Revised: May 2019

INSURANCE REQUIREMENTS

Without limiting Consultant's indemnification, Consultant shall procure and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by Consultant, its agents, representatives or employees. SAFCA shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If in the opinion of SAFCA's Risk Manager the insurance provisions in these requirements do not provide adequate protection for SAFCA and for members of the public, SAFCA may require Consultant, at SAFCA's cost, to obtain additional insurance sufficient in coverage, form and amount to provide adequate protection. SAFCA's requirements shall be reasonable but shall be imposed to assure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

Consultant shall furnish SAFCA with certificates evidencing coverage required below.

Copies of required endorsements must be attached to the certificates provided.

SAFCA's Risk Manager may approve self-insurance programs in lieu of required policies of insurance if, in the opinion of the Risk Manager, the interests of SAFCA and the general public are adequately protected. All certificates or evidences of self-insurance are to be received and approved by SAFCA prior to the execution of this Agreement. SAFCA reserves the right to require that Consultant provide, through its broker, explanatory memoranda confirming coverage and limits as required hereunder.
